Honoring our fallen warriors and celebrating their lives

The Power of a Grateful Nation to Honor its Fallen Warriors

Gold Star Service Flag and Blue Star Service Flag

Have you ever seen either of the flags below hanging in the front window or on the front porch of a house while driving through a neighborhood? Have you been driving behind a vehicle and seen either of the flags above as a sticker on the bumper or back window?

**Do you know
what these
flags mean?**

The **Gold Star Service Flag** is displayed in memory of those who paid the ultimate sacrifice while serving our Nation. This flag is a white rectangular field bordered in red, with a gold star superimposed over a larger blue star so that the blue forms a border.

The **Blue Star Service Flag** is a white rectangular field bordered in red, with a blue star or stars arranged horizontally. The number of blue stars corresponds to the number of family members in United States Armed Forces currently deployed during any war or conflict.

**Take time to thank
the families of service
members who are
separated from their
loved ones while
they are deployed.**
